

A**B**

../plots/F4panelB.pdf

Detailed description: Panel B shows a box with the file path '../plots/F4panelB.pdf'. To the right of the box is a diagram with four cell morphology images arranged in a 2x2 grid. The images are labeled 'unstable', 'stable', 'angular diffusion', and 'angular diffusion'. Dashed lines connect the images to the box, indicating a sequence of states or a transition from left to right.
